# REVERE

Revere offers floorplans to suit every family's needs, a true 7-foot ceiling, 42-inch-deep super slides, and glazed, arched cathedral-style cabinet doors throughout. Choose from three custom-designed décor packages.

Kitchens include a 3-burner cooktop with high-output front burner and electronic ignition, large oven, oversized deep-well 50/50 sinks, carousel microwave and double-door refrigerator.

Bathrooms boast plentiful storage, an ABS tub/shower surround, marine toilet with foot flush, large sink, and a wooden medicine cabinet with mirror.

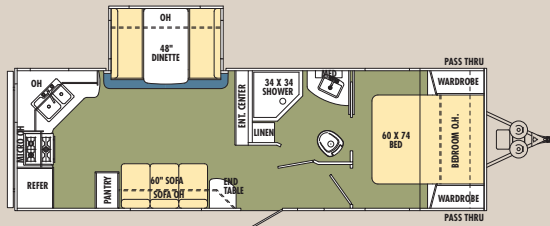

Every Revere offers a variety of storage opportunities, as in our full, convertible pantry. Just remove the top shelf, and the pantry converts to a spacious wardrobe.

Bedrooms offer an innerspring queen mattress, extra-large 3-door cabinet over the queen bed, cable TV hookup, full-length shirt wardrobes and under-bed storage with gas struts.

# REVERE LE

Overall, Revere LE's interiors include top of the line Beauflor® tile flooring, residential cabinets with mortise and tenon hardwood-framed doors and solid wood drawer fronts, in-floor ducted heat, and an auto-ignition furnace with wall thermostat. Easy-care decors make the seating areas, coordinating wall treatments and appointments really stand out.

Kitchens include attractive laminated countertops, a large, acrylic deep-well divided sink with high-rise faucet, 3-burner cooktop with high-output front burner and electronic ignition, range hood with light and exhaust fan, a large oven, a carousel microwave, and a generous double-door refrigerator, as well as a comfortable dinette.

LE offers accessible, functional storage throughout. Spacious overhead cabinets store everything necessary to complete your vacation meal plan. All drawers feature solid wood fronts and smooth-sliding, full-extension ball bearing drawer guides.

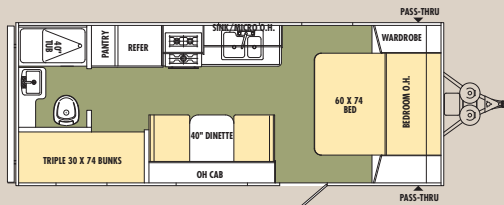

Bedrooms offer an innerspring queen mattress with padded headboard, an extra-large 3-door cabinet over the queen bed, overhead reading lights, cable TV hookup, full-length his-and-her shirt wardrobes with overhead storage shelf, and under-bed/pass-through storage with gas struts.

Complete baths feature a spacious vanity with large sink, a wooden medicine cabinet with mirror, and a foot-flush marine toilet. Other features include a curved shower curtain track, power ceiling vent and easy-clean Beauflor® tile flooring.

Upgraded Residential Window Treatments	X

# THE SHASTA STORY

## A PROUD HERITAGE

In 1941, when Californian Robert Gray built the first Shasta "house trailer" to be used as mobile military housing, he had no idea his homes on wheels would play a major role in establishing a billion-dollar industry. Or, that the little trailers would spark wanderlust in Americans that would carry them across the miles and into the next century. Shasta was, and remains, an important player in the ultimate American Dream; the freedom and desire to roam, explore and enjoy well-earned leisure time with the people we love.

Today, 70 years and three generations of Shasta owners later, Americans have the desire to travel like never before. Motivated by the rediscovery of our families and renewal of ourselves, we still respond to the call of the road.

As the industry's longest producer of recreational vehicles, we've earned our success in the best possible way – through experience ... more experience than

any other RV company in the world. Shasta's respected name prevails in today's fast-moving RV industry because of that experience, combined with a strong, service-oriented dealer network, a loyal, repeat customer base, and our outstanding association with our parent company, Forest River. Shasta is proud of its longevity, and we pledge to continue to listen and to improve our commitment to satisfying America's wanderlust, and to persist in creating generations of memories to come!

### PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

**Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:**

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
