TENT CAMPERS

FREEDOM SERIES · PREMIER SERIES · HIGH WALL SERIES

Freedom

Yes, your camping, but that does not mean your comfort stays home. Residential living standards that make life easy make camping easy.

Features like the heated mattresses so you remain warm at night, and metal drawer guides to keep drawers gliding open and shut, are simple amenities that add tremendously to the comfort of your vacation. It's your vacation. Do it right.

- A** Metal drawer guides
- B** Exterior electric plug (Except LTDs)
- C** Water pump
- D** Outside grill with work table (Except LTDs)
- E** Under floor 20 gallon water tank (Except LTDs)
- F** Swing down galley (Except LTDs)
- G** Spare tire (Std. with package B)
- H** Heated Mattress (Std. Opt.)
- I** Plywood Bed Ends

The Rockwood Premier is the premier tent camper on the market today. It is loaded with features that make your camping experience more enjoyable. From the expansive sliding storage trunk for that extra cargo space, to a bunk light and air circulating fan, and the convenient hanging shirt bar to place your clothes are some of the basic features that really make your camper a Premier.

- A** Hanging Shirt Bar
(Std. Premier & High Wall)
- B** Outside Shower with Water Filtration System
- C** Port-a-Potty (Std. on Selected Floorplans)
- D** Bunk Light and Fan
(Std. Premier & High Wall)
- E** One-Piece Door
(Except LTDs)
- F** Standard Power Lift
(Premier & High Wall)
- G** Water Filter
(Std. with Hot Water Heater)
- H** Fantastic Fan
(Except LTDs.)

MODEL 2516G

PREMIER

Wanting to camp but don't want to "rough it?" Welcome to the Rockwood High Wall Series. We have designed this series for the camping family who wants the refinement of larger vacationing units in a light-weight camper. Ample counterspace, upgraded appliances and tasteful interiors make this camper a gorgeous option to experience.

- A** Sliding Storage Trunk (Some Models)
- B** Exterior Speaker (STD. Premier & High Wall)
- C** AM/FM Stereo with CD Player (STD. Premier & High Wall)
- D** Beautiful hardwall shower with a residential-style flush toilet complete with a 12-gallon black water holding tank. (Not actual color)

ROCKWOOD

FOREST RIVER'S HALLMARK OF EXCELLENCE PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE. THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot

PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

FOREST RIVER ENCOURAGES YOU TO
**BUY
LOCALLY**
FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.

2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Five-year roof warranty, 2. Twenty-five-year floor warranty, 3. Five-year frame warranty, 4. Five-year tent warranty, 5. Five-year warranty on torsion axle suspension, 6. Limited life-time warranty of lifter system, 7. One-year bumper to bumper. Ask your dealer about the available lifetime structural warranty.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2010 Rockwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.
